**PRESS RELEASE FOR SUNDAY, AUGUST 6, 2017, OR AFTER**

**OVAC ALL-CONFERENCE ACADEMIC TEAM**

I realize that these are a lot of names, but I believe that this is very important for the student/athletes of the Conference. Even if you would print the schools in your reading area, it would be greatly appreciated. I e-mailed you an attachment with the names already typed out, hoping this would help you. Should there be a problem, please let me know. I also included a hard copy in your press packet for August 2. Should you not have attended and wish one mailed, let me know.

All schools were asked to submit the names of any student/athletes who fit the following criteria:

- \*Be in grades 9-12
- \*Earned a 3.8 or higher on a 4.0 scale for the 2016-2017 school year
- \*Participated in at least one varsity sport. They did not have to letter, but participate for the season. We feel that these athletes practice just as long and hard as the "newsliners."

Certificates were presented to the athletic directors at their mandatory meeting on Wednesday, August 9, at WesBanco Arena by Ohio University Eastern Dean, Dr. Paul Abraham, and athletic director E.J. Schodzinski.

Of the 53 OVAC schools, 49 (92%) took advantage of this opportunity. Schools not responding were: Conotton Valley, East Richland Christian, Hundred, and St. John Central. This year, 2364 student/athletes received this certificate, the largest number in eleven years.

Ohio University Eastern sponsors this program, which is now in its eleventh year. Students who choose to attend OUE receive a scholarship that pays ½ of their tuition. This is renewable for their sophomore year as long as their grades are maintained.

Should you have any questions, please feel free to contact me. Thanks for all you do.
