FOOTBALL ALL-CONFERENCE
Effective 2018 - 2019

1. The Ohio Valley Football Coaches' Association, which represents the football coaches of the OVAC, recommended the following procedure in selecting All-Conference football teams.

TEAM RANK (Based on Power Rating)	PLAYERS PER SCHOOL	
	Team	Honorable Mention
1	5	3
2	4	3
3	3	3
4	3	3
5	2	3
6	2	2
7	2	2
8	2	2
9	2	2
10	1	2

2. Each coach, along with his staff, shall determine which players from his school shall be placed on the All-Conference team.

3. After the final team ratings have been computed, each coach shall submit a list of his honorees to the Commissioner by the date announced.

4. Each coach may designate his players at an offensive position, defensive position, specialist, or some combination of the above.

5. The All-Conference teams shall be released to the news media by the Executive Secretary, according to schools, not by offensive or defensive team.

EXAMPLE: Joe Jones, offensive guard
defensive end
Bob Smith, quarterback
Bill Black, kicker

6. <u>NO EXCEPTIONS</u> to the allotted number of players will be allowed, team or honorable mention.

7. If the coach desires to place a kicker or other specialist on the team, he must count him in his allotted number.

8. If two teams tie in the standings, they both receive the allotment for that position.

9. There will be five (5) All-Conference teams, one for each class.

10. Certificates will be given to those first-team honorees by the OVAC.

NOTE: All positions must be filled before any releases are made to the media and the public.
