

SPECIAL NOTICE MANDATORY MEETINGS

Effective 2010-2011

Mandatory meetings are exactly that: MANDATORY. Each school must be represented at these meetings by either the head coach or his appointed representative FROM THAT SCHOOL. Any coach missing these meetings will have to pay a penalty of \$100 AND attend a make-up meeting that will be scheduled by the director. Both of these requirements must be met before the school is allowed to compete in any competition.

In the event that the \$100 fee and make-up meeting have not been taken care of, that school will be ineligible for the current championship AS WELL AS the championship meet the following year.

Athletic directors missing mandatory meetings should refer to the *Constitution*, Article VI, Section 6, for the penalty.
