MANDATORY MEETING:

There will be a mandatory meeting for all softball coaches on **SUNDAY, MARCH 11, 2018**, at the Linsly library starting at 1:00PM.

Coaches are required to bring FIVE (5) copies of their 2018 schedule for the OVAC committee.

1. There will be an OVAC regular season divisional winner in each of the five (5) classes: 1A, 2A, 3A, 4A, and 5A. Each regular-season champion will receive a plaque which will be decided when **the regular season ends on Saturday, April 21, 2018**. The champion will be determined by the OVAC power rating system.

2. There will also be an OVAC tournament, with the winning team in each class receiving a championship trophy, and the runner-up receiving a plaque.

3. All games that are **PLAYED BEFORE** the cutoff date will count in the standings, including invitationals, against all opponents. BEGINNING IN 2010, only the first two games played against an opponent will count in the standings.

Scrimmage games in Ohio may be played during the regular season. **[NOTE: Coaches need to check their state regulations regarding this.]** However, it must be by mutual agreement of both coaches and so indicated on both schedules when submitted on the **Sunday, March 11, 2018**. **[NOTE: West Virginia schools cannot scrimmage once you play your first game.]**

4. NOTE: Teams are eligible to participate in OVAC playoffs as prescribed by the respective sport by scheduling at least eight games against OVAC opponents or playing at least six against OVAC opponents. In the event that a team schedules fewer than eight games against OVAC opponents, a minimum of six games must be played against OVAC opponents; if eight or more are scheduled against OVAC opponents, a minimum of four must be played. **All Conference games scheduled and played must be done prior to the cutoff date listed for that sport (April 21, 2018).**

5. No schedule changes or additions **AFTER WEDNESDAY, MARCH 14, 2018**, will count in the standings or count as games played.*

Only regular season games scheduled **PRIOR TO** the cutoff date will count in the standings.

Only those games scheduled prior to the cutoff date may be moved forward to an [earlier] **OPEN DATE** by mutual agreement of the two schools.

Any problem during the final week, other than poor weather conditions, must be reported to the softball director within twenty-four (24) hours. A ruling will be made by the softball committee, the softball commissioner, and the Executive Secretary. Extenuating circumstances will be taken into account.

***Nonvalid reasons for changing/canceling a scheduled game:**

-Track meet/sporting event

-Field trips

-Tests (ACT/SAT) It is recommended that schools change their starting times to accommodate the test.

-Banquets

-Plays

-Concerts

-Proms/After-Proms

[Rainouts may be rescheduled and count in the standings as game(s) played.]

6. The OVAC regular season will end on Saturday, April 21, 2018, and regular season champions will be named. Remember that the two tournament games (semi-championship and championship) will count toward regular season totals as allowed by your state.

WEST VIRGINIA: Maximum Team Contests - A softball team will be permitted to play no more than 32 games exclusive of Sectional, Regional, and State contests.

OHIO: An individual may play in a reserve game and a varsity game in the same day. Participation in both counts as two games in contest limitation of 27 contests on 27 playing dates.

NOTICE:

Schools who cannot compete in the tournament to its completion due to over-scheduling the State limits of their respective state will not be allowed to participate in the tournament.

In this case, each team will move up and the next team in order of finish will be elevated to fill the vacant spot.

In the event that a school should schedule a game between the semi-final game and the championship that should put them over the State limit, they will not be permitted to compete in the playoffs and will be ineligible for competition in that sport the following year.

A coach, or their appointed representative, is required to report the score of their game, win or lose, home or away, to the number listed below. **It is recommended that this be done immediately after each game.**

The responsibility for reporting scores belongs to **EVERY school, EVERY game.**
