All coaches or a school representative must be in attendance to be eligible for the Conference championship. Any school not in attendance will have to pay a \$100 penalty AND attend a make-up meeting before they will be eligible.

1. BOYS:

For the 2019 championship, an eight (8)-game pro set with a tie breaker at eight-all will be used throughout the entire tournament. For 2018, the seven player minimum will not be in effect. (2006)

GIRLS:

For the 2019 championship, an eight (8)-game pro set will be utilized. This applies to ALL singles and doubles matches. All tournament matches will be pro set [eight (8) games with a twelve (12) point tie breaker at eight games all]. For the girls' championship, West Virginia rules will be followed.

2. There will be two girls' champions. A championship trophy will be given to the Girls' Champion in Class 1A-4A and 5A, and a plaque will be given to the Girls' Runner-Up.

3. There will be two boys' champions. A championship trophy will be given to the Boys' Champion in Class 1A-4A and 5A, and a plaque will be given to the Boys' Runner-Up.

4. A team is required to play its players in order of strength. The **order of strength** must be determined and submitted to the OVAC director **by APRIL 14 (www.ovactennis.net)**.

That order of strength, once submitted, will remain for the rest of the OVAC season (06.03.12)

5. The OVAC will furnish new balls for the tournament. All singles and doubles matches are played with two (2) new balls. Wilson Championship balls will be used

6. **NOTE:** The Director has the option of changing the format due to inclement weather. The following format could be used at the discretion of the Director:

A. Regular eight (8) game pro set with no add scoring. A twelve (12) point tie breaker will be used at eight (8) all. (6.12.03)

B. **In the event that the above format is used, ALL FINAL MATCHES MUST BE REGULAR SCORING.** (6.23.05)

7. Participants are required to be in school uniforms for championship play. Doubles teams must be in identical school uniforms.

8. **DUE TO EASTER**, there will be a **MANDATORY seeding meeting on Monday, April 22, 2019**, at the Tech Center One at Wheeling Park High School at 4:00PM. [NOTE: Seeding will be done each year in the same order as the tournament; therefore, in 2019, the girls' coaches will meet at 5:00 and the boys' coaches at 6:15. **COACHES ARE TO BE AT THE MEETING AT LEAST 15 MINUTES PRIOR TO THE STARTING TIME TO COMPLETE NEEDED PAPERWORK.**]

Complete line-ups and records are to be sent to Scott Ash ((www.ovactennis.net) **NO LATER THAN FRIDAY, APRIL 19, 2019.**

9. You must have at least four (4) OVAC matches **with four (4) different OVAC schools (06.08.16)** to be considered for a seeded position (06.03.12).

Seeding will be based primarily upon an individual's OVAC record (head-to-head, common opponents). However, other records can also be submitted and considered. After the top four (4) seeds have been determined, the remaining players will be selected using a random draw as described in the USTA rules.

In order for seeds to be made for the tournament, the coach or a school representative must be present. **If a school is not represented, that school and players will be ineligible for championship play.**

10. There will be no ties in the tournament. In case of a tie, the champion will be determined according to the following rules:

- A. Number of champions;
- B. Number of finalists;
- C. Number of semi-finalists;
- D. Most games won by all seven positions.

(06.08.16)

11. Teams earn one (1) point for each match won. **In the event of a bye, the team will be awarded two (2) points ONLY IF they win their first match.**

EQUIPMENT

1. Only Wilson Championship, approved by the USTA, balls shall be used in matches.

2. Tennis racquets and strings shall conform to current USTA standards.

PROTESTS AND FORFEITURES

All protests and forfeitures by coaches will be directed and handled by a court monitor and the OVAC tennis director. **ALL OVAC COACHES ARE EXPECTED TO SERVE AS LINE JUDGES FOR OTHER TEAMS WHEN NOT COACHING THEIR PLAYERS.**

CONDUCT, CHARACTER, DISCIPLINE

1. Ethical conduct of players and coaches should be observed at all times.

2. During participation in the OVAC championships, any athlete who fails to abide by the decision of officials, uses profanity, disrespectfully addresses an official, uses obscene gestures, or strikes an official or an opponent, will be denied further participation.

During participation in the OVAC Championships, the USTA Standards of Conduct will be enforced.

3. Athletes responsible for such unsportsmanlike conduct will immediately be reported to the OVAC Tournament Director. The Director shall disqualify the athlete from further participation in that tournament series if the situation warrants it:

- A. Warning (given with pre-tournament instructions);
- B. Loss of point;
- C. Loss of game;
- D. Forfeit and disqualify at once.

[NOTE: If an infraction is deemed severe, the official or meet director can disqualify a player without warning or game loss.]

COACHING

1. Coaches may talk to players only when they change ends of the court, and shall not delay play by doing so.

2. Coaching may only take place where facilities permit it. Matches on other courts cannot be interfered with. Coaches may not come onto the court.

3. Coaching is not permitted by anyone other than the school's assigned coach.

4. The use of signals, cheering (as opposed to applause), veiled suggestions, and the like, during play, is considered unethical and is not permitted.

5. Coaches CANNOT call lines for their players. All line calls must be handled by PLAYERS ONLY. In the event of a dispute or discrepancy, players must try to solve it on the court. In the event this is unsettled, players should place their racquets against the net, signaling for a referee's assistance.

REGULAR SEASON

During the regular season, schools will follow the guidelines and rules that are issued by the state where the match is being played.
