

# OVAC RATING SYSTEM

## Wrestling

1. Each team is assigned a rating based on their classification:

Class 1A: 30 points (1-154)\*

Class 2A: 40 points (155-203)

Class 3A: 50 points (204-314)

Class 4A: 60 points (315-443)

Class 5A: 70 points (444 +)

\*NOTE: Enrollment of non-Conference schools (which must be members of their state association) is to be based on total number of males and females in grades 10, 11, and 12 for that school year.

2. Non-Conference schools (which must be members of their state association) will be assigned first level point values based on enrollment figures corresponding with the above OVAC classifications.

3. All schools scheduled for that season will count for First Level Points.

4. **BONUS POINTS:** FIVE (5) Bonus Points will be awarded for all wins by defeated OVAC opponents. NO BONUS POINTS will be awarded for any wins by defeated non-Conference schools.

5. To be eligible for the championship, the following number of matches must be played with Conference opponents before the established cutoff date:

three dual matches against three  
different opponents or

five dual matches scheduled against  
five different opponents.

6. Once the first and second level points are determined, the total points accumulated by the school will be divided by the matches contested. The four (4) teams with the highest average at the cutoff date will advance for tournament play.

7. Wrestling will only count the first time the schools meet in dual meet competition.

### IMPORTANT NOTE

The last date for schedule changes shall be determined by the earliest start date of either State association for that sport.

Any exceptions to this must be submitted in writing to the Executive Secretary. A decision will be made by the Executive Secretary, the Commissioner, and Executive Board, if deemed necessary. That decision will be final. (An example of this might be the flooding experienced during the '05 season).

Any change prior to the earliest start date must be given to the Commissioner, IN WRITING, or it will not count in the standings.

### Article 4.1.4 of the OVAC By-Laws -

Any scheduled regular season contest which is not started due to unforeseen circumstances as determined by the Executive Board (such as failure of a team to arrive, strike, school closing) shall not be included in won-lost statistics. The parties affected by this event will have their accumulative points divided by one less match. Questions and appeals regarding this can be sent to the Executive Board for their review.

**ELIGIBILITY WAIVER:** A waiver may be granted by the Conference for extenuating circumstances such as strikes, failure to fulfill a contract, non-availability of Conference opponents, etc. However, in order to receive a waiver, a school with an open date must prove written documentation to the Director and the Executive Board of their unsuccessful attempt to schedule an OVAC opponent with the same common date.

Waivers will only be granted should a school attempt to schedule ONE class above or below their classification.

Any request for a waiver MUST BE PRESENTED to the Executive Secretary prior to the first start date of either State association.

**SCHEDULE ALTERATIONS:** No schedule changes **after the earliest start date** will count in the standings or count as games played.

**EXCEPTION:** Only those games scheduled prior to the cutoff date may be moved **BY MUTUAL AGREEMENT** of the two schools to another date prior to the cutoff date. Schools cannot cancel a scheduled game to accommodate this change.

**PENALTY:** The team in violation of this rule will have its points awarded to the opposing team. Both teams' won-loss record will remain the same, but both teams will have their total points divided by one more game than their record indicates.

**PENALTY:** Should this violation occur during the week prior to the cutoff date, the offending school(s) will be ineligible for OVAC playoffs BOTH the current season and the following season.

**SEASON CANCELLATION:** In the event that a sports season is forced to be completely postponed by either state, no OVAC championships will be played. The final decision in such matters will be at the sole discretion of the OVAC Executive Board, Executive Director and the Commissioners/Directors of the affected sports.

**UPDATED:** 02.08.21
