OHIO VALLEY ATHLETIC CONFERENCE REQUEST FOR ELIGIBILITY WAIVER

School: _____ High School

Sport: _____

Date Submitted: _____

Athletic Director Signature: _____

CRITERIA:

Should the request be made due to a contract being broken, a copy of the contract must accompany the waiver request. The fact that a school chose not to renew a contract at its conclusion does not constitute a broken contract.

Should the request be made because of failure of being able to fill an open date, **AD-EQUATE DATED DOCUMENTATION MUST BE ATTACHED** to the request showing several attempts to fill that opening.

This waiver must be presented PRIOR TO the season starting. **Once the season begins, no waiver will be granted.**

This waiver will only count toward attaining the minimum requirements for a Conference championship.

This form must be mailed to the attention of the OVAC Executive Director at the address above.

Before the waiver is granted, the commissioner, director, or Conference statistician must confirm that both schools did have the same open date and are of comparable talent/size.
