### **ALL-STAR SELECTION:**

Nominations and voting will be done through the OVAC e-mail system.

Coaches will be e-mailed a nomination ballot by the director requesting name, school and statistics. **A coach may nominate up to three (3) players from his/her school.** These must be returned by the day listed on the ballot or the school will not be listed on the ballot.

From these nominations, a ballot will be developed and returned to the coaches. Ohio coaches will select players from Ohio; West Virginia coaches will select players from West Virginia.

Each coach may vote for ten (10) players from the ballot. **YOU MAY NOT VOTE FOR YOUR OWN PLAYERS.**

The Player-of-the-Year in each class selected by an earlier ballot, will automatically be placed on the squad should she be a senior. If the POY declines to play in the game, there will be no replacement for her.

The top fifteen (15) players, regardless of class, will constitute the team as voted upon by the coaches. The next five players will constitute an alternate pool. Once contacted, there will be no replacements.

No school will be permitted to have more than two players from their school.

Coaches having players selected will need to e-mail a **DIGITAL** photo and a biography of the player to use in the program. All necessary forms are posted on the website, [www.ovac.org](http://www.ovac.org), in the "About Us" dropbox.

### **IMPORTANT NOTE:**

Teams are eligible to participate in OVAC playoffs as prescribed by the respective sport by scheduling at least eight games against OVAC opponents or playing at least six against OVAC opponents. In the event that a team schedules fewer than eight games against OVAC opponents, a minimum of six games must be played against OVAC opponents; if eight or more are scheduled against OVAC opponents, a minimum of four must be played. All Conference games scheduled and played must be done prior to the cutoff date listed for that sport.

**Schools who do not play the required matches prior to the cutoff date to be eligible for the championship and who fail to leave the dates open to participate in the championship (or choose not to play in the final four) will not be eligible to have players in the All-Star match, have All-Conference selections, or be eligible for any sport specific scholarships.**

**Additionally, a \$60 penalty will be added to their dues for the following year.**

**Players-of-the Year and Coaches-of-the-Year will be recognized at the All-Star Match.**

Coaches will be selected for the game in the following manner.

There will be two coaches for each team.

The coach-of-the-year, as voted upon by the coaches, will automatically be asked.

Should the coach decline, the volleyball commissioner will determine the coach.

After that, the coach will select his assistant.
